Dear Mr. Vinson,

MorphoTrak is pleased to provide Metropolitan Police Department with the following proposal for pricing of a MorphoTrak LiveScan Station equipped with the accepted standard Metropolitan Police Department (MPD) software

MorphoTrak's fully integrated LiveScan solution provides Metropolitan Police Department the following features and benefits:

- ◆ Single-source vendor for all components of the LiveScan solution, including the AFIS interface
- ◆ Digital image capture of upper, lower and writer's palms, slaps and rolls
- ◆ Mug Photo Capture
- ◆ Full compliance with DC-MPD AFIS, FBI IAFIS/NGI EBTS and ANSI/NIST image standards
- ◆ Automatic fingerprint sequencing and duplicate print checking before scanning is completed, ensuring data integrity
- ◆ Quick check, review, and edit can be performed on each print
- ◆ All livescan configurations includes on-site installation, training, and 1 year on-site warranty

Portable (shown with optional case)

Attachment A

MorphoTrak's on-going commitment to customer satisfaction and the delivery of the highest level of support in the industry is demonstrated by our placing resources in the field near the customer to provide on-site customer support.

Our standard warranty is 1 Year on-site for both parts and labor. Should Metropolitan Police Department report a problem, MorphoTrak will dispatch a MorphoTrak Representative to go on-site to resolve the problem as opposed to other vendors who send a "box with a replacement part". We send a highly trained support representative to provide problem resolution. This ensures that Metropolitan Police Department staff members are not burdened with the added task of "parts replacement".

Customer Responsibilities

Metropolitan Police Department is responsible for the following:

- Providing necessary facility resources required for equipment installation and operation including access, space, environmental control, electrical power and networking.
- To obtain and maintain the required transmission lines and hardware for remote communications to and from the necessary agencies.

Assumptions

In developing this proposal, Morpho has made the following assumptions:

- With the exception of the State AFIS, there are no external interfaces to support which includes but is not limited to records management system, booking system, mugshot system, etc.

Attachment A

- ♦ Metropolitan Police Department will provide all necessary communication to include, but is not limited to hubs, routers, modems, etc.
- ♦ On-site Installation Services will be scheduled after network connectivity has been established and verified.

Additional engineering effort by MorphoTrak beyond the scope of the standard product will be quoted at a firm fixed price based on our current service rates in effect at the time of the change, plus any related travel or administrative expenses. Assistance with training and questions for the Metropolitan Police Department's database or any programming, scripting, or review of programs beyond work quoted above are excluded from this offer.

Prices are exclusive of any and all state, or local taxes, or other fees or levies. Customer payments are due to MorphoTrak within 20 days after the date of the invoice. Product purchase will be governed by Fairfax County Contract 4400006490. Firm delivery schedules will be provided upon receipt of a purchase order. No subsequent purchase order can override such terms. Nothing additional shall be binding upon MorphoTrak or the County unless a subsequent agreement is signed by both parties. MorphoTrak reserves the right to substitute hardware of equal value with equal or better capability, based upon market availability. If, however such equipment is unavailable, MorphoTrak will make its best effort to provide a suitable replacement.

Proposal Expiration: June 30, 2018

Purchase orders should be sent to MorphoTrak by electronic mail, facsimile or U.S. mail. Please direct all questions and order correspondence, including Purchase Order, to:
